OBEY GOD & HE'LL BLESS YOU REAL GOOD

*SPREADING THE GOSPEL OF JESUS CHRIST THROUGH SONG, WITH THE ULTIMATE GOAL OF LEADING ALL THAT WILL TO REPENTANCE AND TO EXPERIENCE THE LOVE OF JESUS CHRIST.*

**OGHBYRG Productions** is an independent record label founded upon the vision of Pastor Marlon Lock, in honor and admiration of his grandparents – Apostle Eldridge and Prophetess Naomi Lock. They were the founders of the church that Pastor Lock currently oversees, Unity Gospel House of Prayer, located in Milwaukee, WI. Apostle Lock coined the phrase: "Obey God & He'll Bless You Real-I-I-I Good!"; which became the church's motto and is spoken in unison at the conclusion of every service. In an effort to continue the legacy of Apostle and Prophetess Lock, OGHBYRG Productions was created. Just as they were the living examples of OGHBYRG, the production company stands as a free expression to all, that obedience to the Lord is where blessings lie. Blessings are far beyond monetary value, but they encompass intangibles such as peace, joy, love, and kindness. These are invaluable blessings that no dollar figure can be placed upon.

ABOUT

### BACKSTORY

Pastor Marlon Lock's grandparents began caring for him at the age of 15-months, after learning his daycare provider had not provided proper care. From that time on – until he married the love of his life, Kimberly Lock – Pastor Lock resided with his grandparents. In 2004, Apostle Elbridge Lock suffered 3 heart attacks within an hour and was pronounced dead by hospital staff, only for the staff to return and find him sitting up on the hospital bed. Marlon Lock desired to fully support his granddad's recovery and found it fitting to secure a home that would be feasible for his grandparents and his immediate family to coexist. Apostle Lock recovered and continued to serve as the overseer of Unity Gospel House of Prayer until his passing on April 8, 2009, leaving his grandson, Marlon Lock as his successor. Three years later, on June 23, 2012, Pastor Marlon Lock's grandmother, Prophetess Naomi Lock went on to be at rest.

Pastor Lock will forever be grateful for the encouragement, direction and support his grandparents bestowed upon him. They were true pioneers of faith in the Lord and fully walked in the motto, **OGHBYRG** (pronounced AWG-BERG): "Obey God & He'll Bless You Real Good!

## BIO

The debut CD from Pastor Marlon Lock entitled: The Good Seed Project debuted on the Billboard charts of top gospel albums at No. 19, on May 19, 2015, with the quartet single: "He Delivered Me." The Good Seed Project was nominated in 2 categories, for the 2016 Stellar Awards: New Artist of the Year and Traditional CD of the Year!

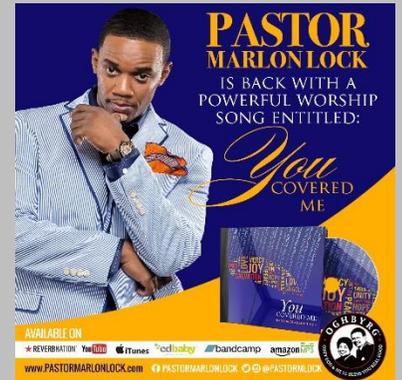

Disturbed by the on slot of violence amongst law enforcement and civilians, Pastor Lock was moved with compassion during the Mike Brown to write another song. Hang On encourages the listening audience not to let go of God's promises and His principles when faced with unimaginable adversity. *Hang On*, inspired by the many challenges the world face today, was produced by 9 time Grammy Award winning producer, Kevin Bond.

In preparation for a conference that forever changed his Pastoral obligations, Pastor MARLON Lock wanted to release a 10-year old powerful

worship song that his congregation had been singing. *You Covered Me* was released April 15, 2016. The song reminds the listening audience that even through the darkest of tragedies, it could've been worse. God sent His Son to take the punishment that we deserved. He then, gave His angels charge over us,

Pastor Marlon Lock is set to release his sophomore album, August of 2016. *Pastor Marlon Lock Unleashed* will give the listening audience a broader perspective of the musical style and versatility he can demonstrate. All songs were written by Pastor Marlon Lock, with some collaboration with his wife, Author Kimberly Lock. The album was produced by Grammy nominated producer, Chad "C-Note" Roper.

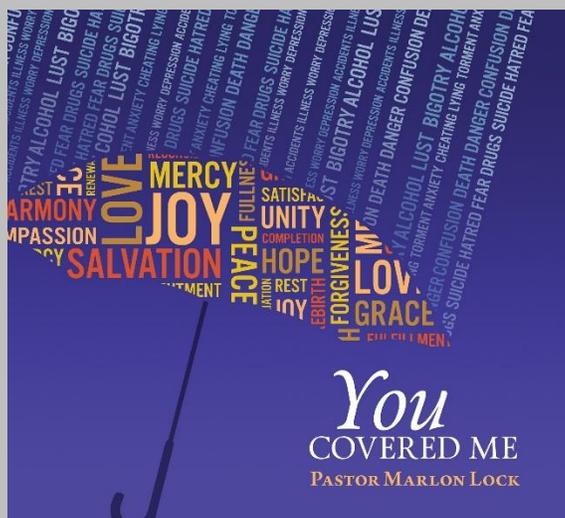

While Pastor Marlon Lock's roots and foundation is quartet, he undoubtedly has a style of his own. The term unleashed means: "To allow or cause something very powerful to happened suddenly." With this release, the listening audience will be introduced to an unexpected yet explosive demonstration of ministry in song, which is true and sincere to the style of Pastor Marlon Lock's music; one of which he affectionately describes as "gospel gumbo."
